DEDICATION

DEDICATION

We the members of the Senior Class of 1950 in recognition of the many generosities shown by our parents, dedicate this book to our fathers and mothers. It was from you that we received both material things for our education and encouragement to go on and to succeed. It is our hope that in the future we may live up to your highest expectations and become the men and women the world needs.

ADMINISTRATION

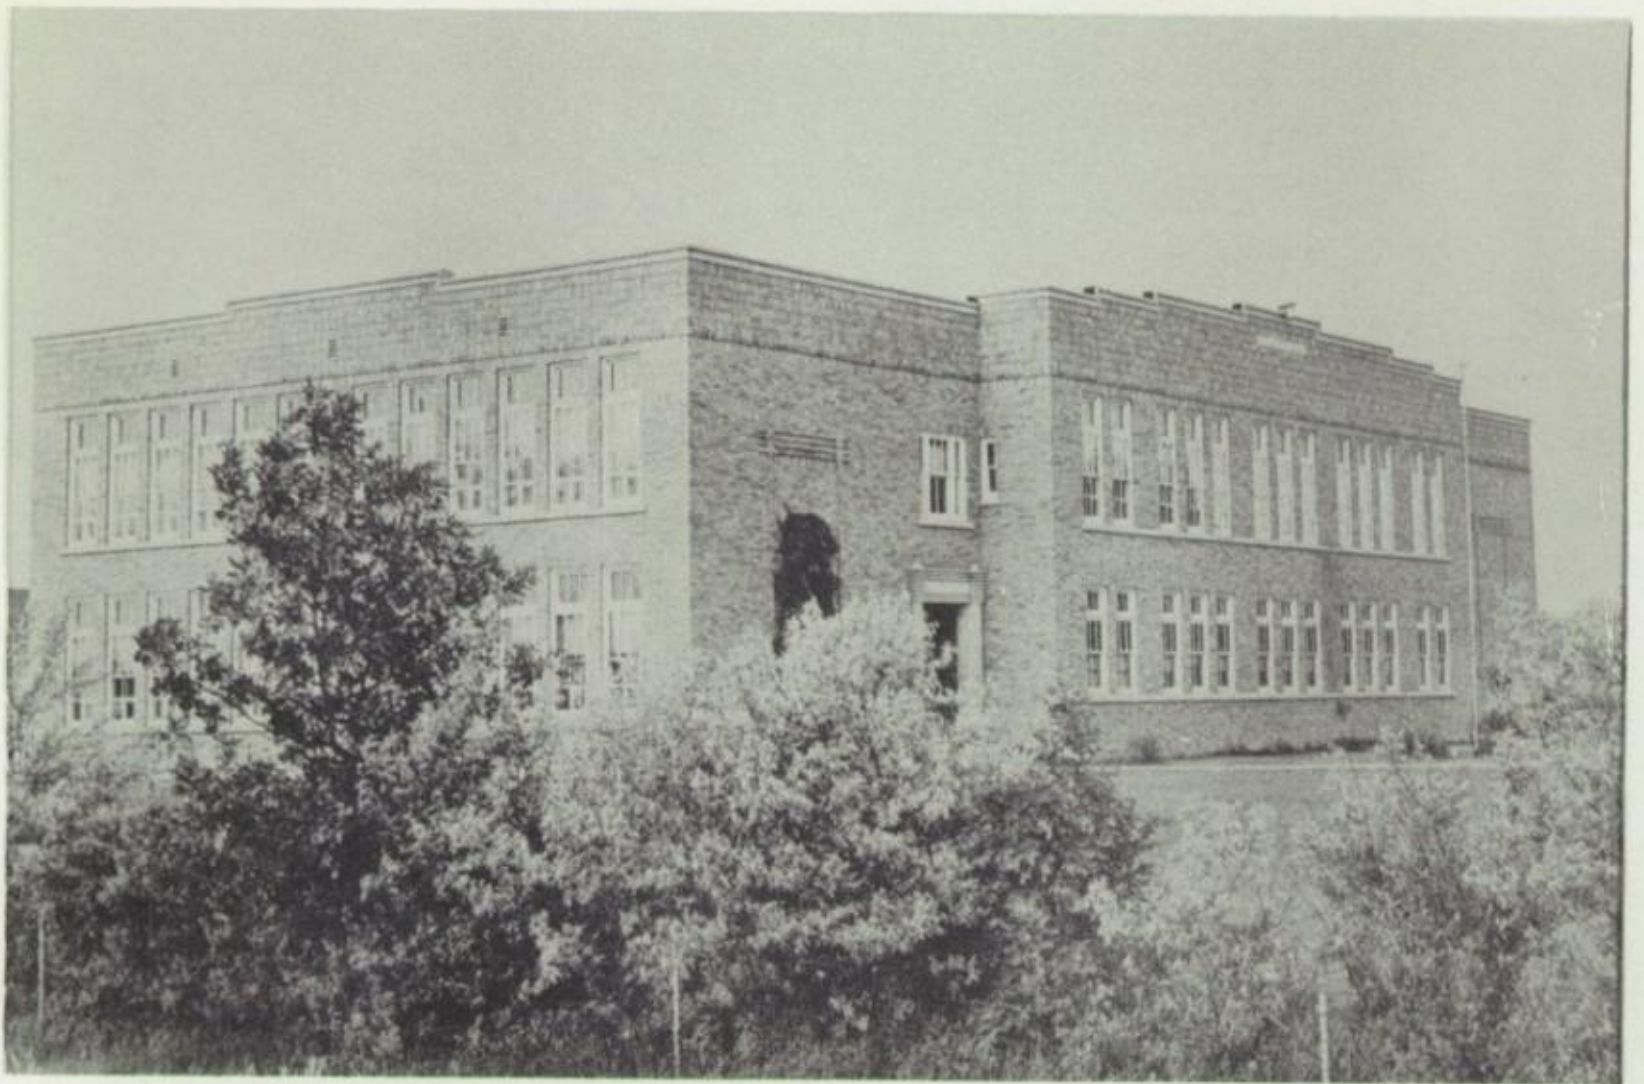

"The moral to be drawn from America
by every nation is this:

'Seek ye first the education of the
people and all other political blessings
will be added unto you.'

"The education of the people is the
real underlying work for earnest men
who would best serve their country."

Andrew Carnegie

Our school. This is the way we will always remember it.
In future years our thoughts will often go back to the happy
times and the pleasant hours we spent within those "Portals
of Destiny!"

SENIOR CLASS HISTORY

Let us look back into the past now to the first grade. Exactly twelve years ago. Who should we see, all sitting in their little desks, under the guidance of Miss Harnit, but the seniors of today? In the first row we find Harlan Timboe and Colleen Wohlfeil. They seem to be arguing about something. Could it be that Colleen is jealous because Harlan has been making eyes at that cute Delores Vikan in the next row? Then we come to the second row. Here we find Lorraine Nelson, Ralph Marsden, and Marlys Nelson sitting with bright, shining faces and folded hands, but the teacher doesn't seem to be fooled by their innocent looks. In the third row we find just one lonely, little girl. This is Arlys Lindberg. She seems to be digging in her desk for something. Now I see. It's her tiny stick of pink bubble gum. Finally in the last row we see Alison Lamport and Donald Nostdahl. Donald seems to be having girl trouble. What a squabble! Now the teacher is walking over to the board and taking two points off his conduct chart. Such was the first grade. Full of bright and promising students. Well, full of students anyway.

The next year we had some additions to our small group of seniors. One was Patty Varud who came all the way from New Mexico to be with us. Black Beauty was being read to the pupils one day and all at once there was a thump on the floor. Patty had fainted! Now the little seniors were all very excited because they had never seen anyone faint before and they thought Patty had had a very wonderful experience. Carol Smith entered the second grade that year. She and the two boys in the next row seemed to get along very well. Our oppretta that year was the "Pied Piper." The only thing wrong with it was that the rats kept losing their tails. Miss Melby was the teacher in the second grade.

The third year was a very wonderful year. We had in our midst that year a very talented girl whose singing and yodling could compare well with anyone on the Gene Autry show. Her name was Mary Ann Campbell and she was liked by all the children.

The fourth and fifth years seemed to show a more grown up class. The boys and girls didn't play with dolls, cars, and childish things like that. My no, they were now more sophisticated. They began playing marbles, skipping rope, and now and then got tangled up in the monkey bars. A few casualties were common. Such as the day two little senior girls, namely Delores Vikan and Arlys Lindberg, led Alison Lamport blindfolded into a large tree in the school playgrounds.

Adeline Johnson, a petite miss, joined our class in the sixth grade. Mr. Neilson was our teacher that year and he liked us so well that he followed us up to the high school to be our seventh grade teacher.

No new seniors were added to our class during the seventh grade, but there were three who did enter the following year. They were; Justin Hegdahl, Kathryn Freeman, and Joyce LaRocque. Joyce was known for her flaming red hair, while Justin made a hit with his Model A Ford. Kathryn was usually referred to as "The Brain." We soon became resigned to her spoiling our marks with her above average work.

We added five new pupils in our first year of high school: Ardeen Larson, the class "it"; Marion Hagen, with a new boy friend every week; Francis Olson, the "Night Owl"; Odell Krohn, our B.H.S. track star; and Lyle Dagner the all around athlete.

Biology was an outstanding subject in our sophomore year. Along with our dissecting came Beverly Wiley, Margaret Olson, and Delores Hagen. Beverly, a "card", can be seen working at the Candy Kitchen. Margaret Olson is very popular with the boys, but she seems to be giving her attention to just one now days. Delores Hagen has always been active in sports, clubs, and plays.

Last year two Omemee girls entered our class. Their scholastic records are above average. These girls, Janice Knopfle and Jacelyn Getzlaff, are practically inseparable. Betty Smith came from Dunseith to go to school in good old B.H.S. She is well liked and friendly. Last year it was up to the Seniors to have the Junior-Senior prom and banquet. Every thing was well planned and everyone did his part in making it a big success. Our theme was "By the Light of the Silvery Moon."

Some of the members in our class, during the last four years, have given us distinction in District and State activities. In our Freshman year, Alison Lamport and Lorraine Nelson were sent as representatives to the State F.H.A. rally at Fargo, North Dakota. Marlys Nelson and Kathryn Freeman represented us at girls state last year and Odell Krohn and Harlan Timboe at boys state. Kathryn Freeman was honored last year by the State Bar Association as the Junior who had the best knowledge of the Constitution. Ardeen Larson went to Kansas City as a representative to the National F.F.A. meeting. Beverly Wiley placed second in low voice solo at the state last year. On the all conference Football team were Lyle Dagner (47-48-49), Harlan Timboe(48-49) and Ralph Marsden(49). On the all district basketball team were Harlan Timboe(49) and Lyle Dagner (48-49). There are those in our class who have played a big part in making a successful chorus and band. Both band and chorus have won top honors the last three years.

This brings to the end the history of our senior class and its interesting personalities through the years from first to the twelfth grade.

The future seniors of Bottineau High School have proved themselves worthy to replace the graduates of 1950. They have contributed much to the success of the band, choruses, and the athletic groups. Among them are many outstanding students. Their class play, "Don't Keep Him Waiting, was a grand success.

The Junior class gave several school parties during the year in preparation for the prom and banquet. They have ordered their class rings and now feel qualified to take over the role of the "big-shots" of B.H.S.

Miss Tooley and Mr. Lee are the class advisors. Officers are Delbert Larson, President; Carole Danielson, Vice President; Jack Kyle, Secretary Treasure.

Here is another group which is well represented in all school activities. They seem to have a flair for athletics, and B.H.S. is looking for many a basketball and football star in the future from this very large class. They have also made many scholastic achievements.

The sophomores are looking forward to next year when they will be upper classmen. All in all, B.H.S. can well be proud of this top-notch class.

The officers they chose for this year are; Merle Larson, President ; Fabian Houle, Vice President; Norma Vikan, Secretary; Henry Juve, treasurer. Their advisors are Mr. and Mrs. Sinclair.

Not pictured- Donald Boguslawski, George Carbonneau, Delano Grimstead, Delma Hall, Mary Jane Olson, Roger Pewe, Virgil Rude.

The graduates of 1953 make up the largest class in the high school. There was a real adjustment to be made by many of these new students who had to become accustomed to a different way of doing things. Now that the school year is finished and all these early trials are over, the Freshman can see that they have become a permanent and valuable part of their school. The upper classmen realize this also.

The Freshman have been very active in music, F.F.A., F.H.A., and athletics and have contributed to the success of these organizations.

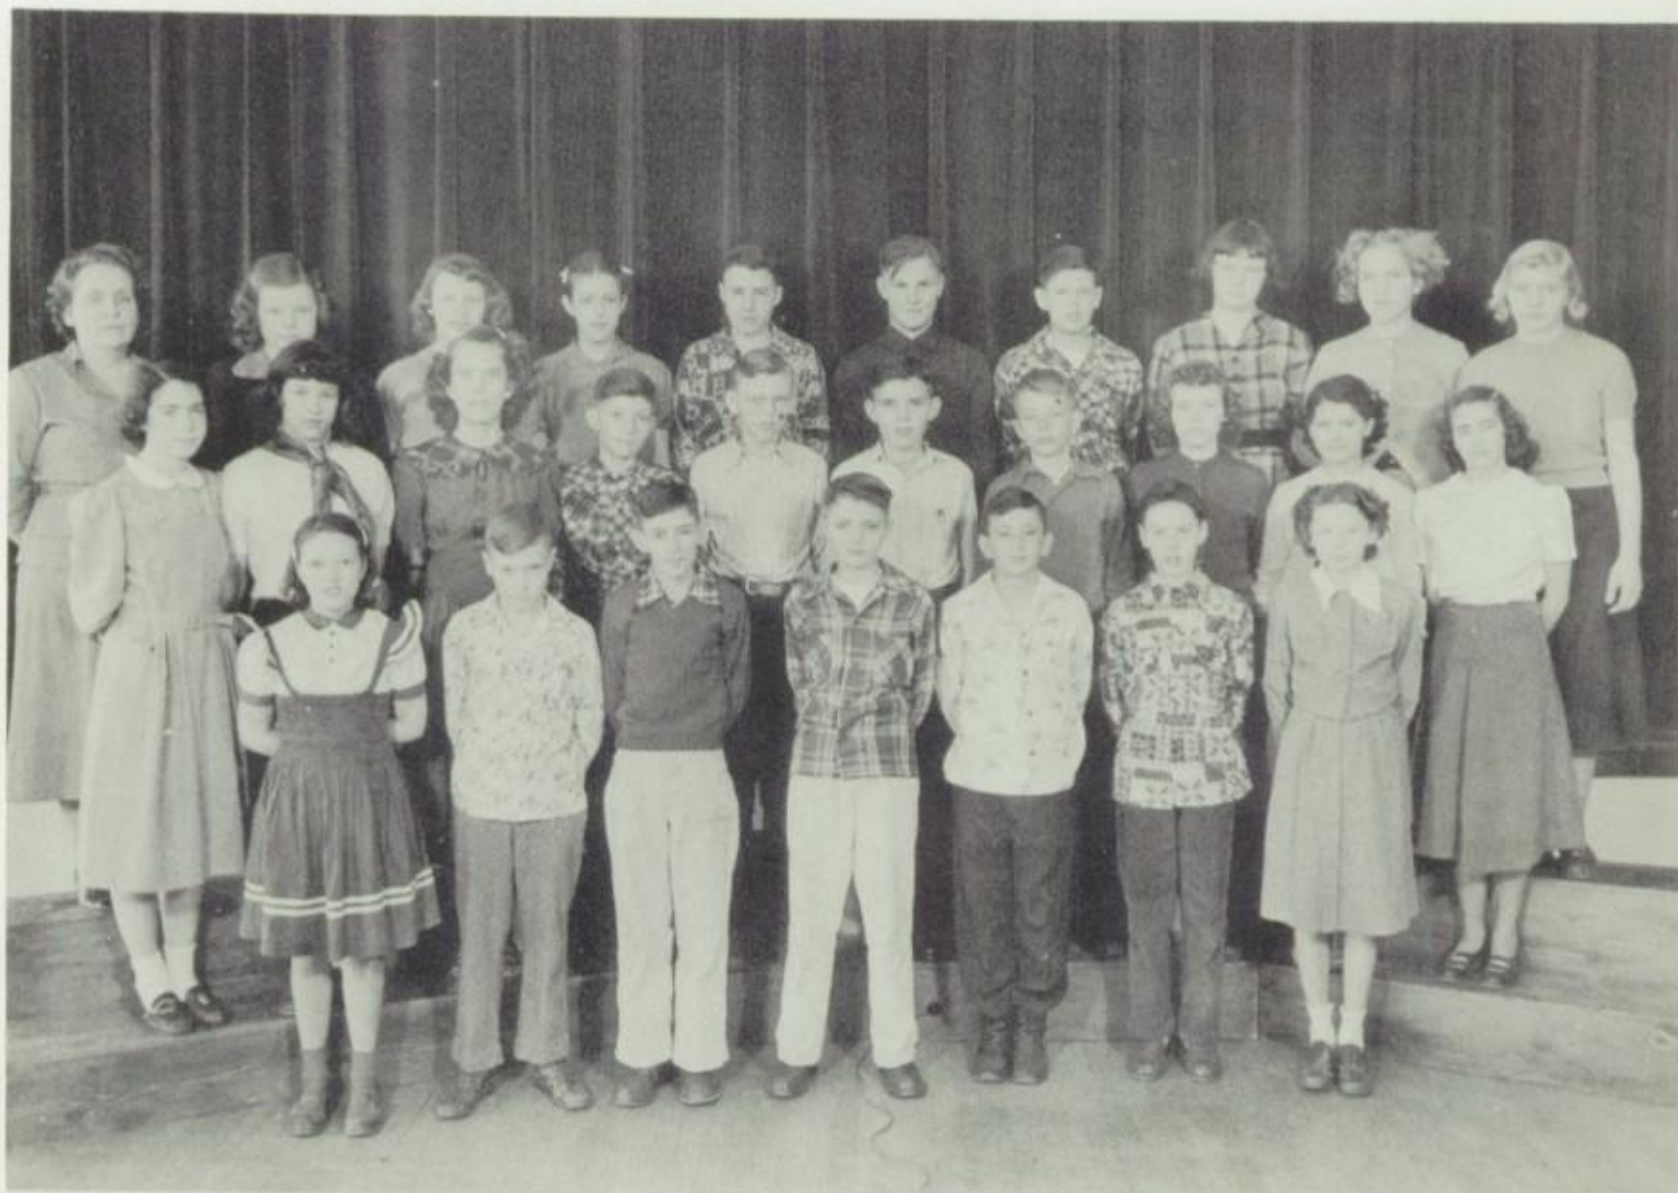

Their class advisors are Miss Webb and Miss Samdahl. The officers are: Gary Boettcher, President; Barbara Fitch, Vice President; Donald Boguslawski.

SEVENTH GRADE

GIRLS CHORUS

First Row: Alison Lamport, Accompanist; Lorna Indvik, Beverly Shillander, Marlys Nelson, Barbara Trent, Audrey Vikan, Norma Dunderland, Christine Olson, Elaine Jacobson, Alton Lee, Director. Second Row: Pat Varud, Jacelyn Getzlaff, Marilyn Thompson, Shirley Olson, Carol Hanson, Beverly Dorr, Delores Vikan, Cheryl Lien, Karen Nelson, Janice Knopfle. Third Row: Lorraine Nelson, Margaret Olson, Colleen Wohlfeil, Arlys Lindberg, Kathryn Freeman, Beverly Wiley, Carol Smith, Delores Hagen, Elaine McNea, Anne Dunderland, Adeline Johnson.

Enchanting music, charming girls, and beautiful dresses. This describes the Girls' Chorus of Bottineau High School. Of course the primary interest of the group is music. The new formals were incidental to the several concerts.

The preparation for these concerts took up two periods of school time and after school practices twice a week. The work was hard but the final results proved satisfactory to everyone. The members realize that Alton Lee, director, is responsible for making those results possible. At the beginning of the year he took an untrained group, and by hard work and constant enthusiasm he has been able to train the chorus to produce good music.

The Girls' Chorus members not only learned to sing their concert numbers well, but they learned many things about music in general. Their musical appreciation has increased by added knowledge.

MIXED CHORUS

First Row: Arlys Lindberg, Accompanist; Beverly Dorr, Marilyn Thompson, James Olson, Robert Jones, Elaine Jacobson, Carol Hanson, Christine Olson, Alton Lee, Director. Second Row: Jacelyn Getzlaff, Lorraine Nelson, Alison Lamport, George Long, Delano Surdahl, Wayne Pewe, Delores Vikan, Cheryl Lein, Karen Nelson. Third Row: Margaret Olson, Colleen Wohlfeil, Kathryn Freeman, Beverly Wiley, Forrest Hanneson, Lee Fredlund, Delbert Larson, Carol Smith, Delores Hagen, Pat Varud, Janice Knopfle.

The Mixed Chorus which has been missing from Bottineau High School for several years has finally shown up again. Concert goers have now heard the chorus, made up of supranos, altos, and baritones, and have received the music enthusiastically. They have heard the beginning of a lasting school organization which promises to grow and improve in years to come.

The Mixed Chorus sang its first concert in Towner in the fall. Since then they have sung in the Christmas and Spring concerts in Bottineau. Mr. Lee, director, has put forth much effort to train these singers. The success of the chorus is a result of his hard work and interest.

BAND

It's the "Star Spangled Banner" and the B.H.S. Band is embarked on another of its formal concerts. The program consists of anything from Bach to Boogie. The players switch from music "sweet and low" to the "loud and hot" type at a flick of the wrist from the man with a stick. And those marches really make you think of a parade!

The band room at B.H.S. is probably the windiest in the school. But with a little help from Mr. Opland the wind becomes noises and the noise becomes music. And the music's not bad!

The steering committee, composed of Alison Lamport, Helen Brandjord, Bill Wiley, Donald Nostdahl, and Colleen Wohlfeil, settles most of the trials and tribulations. With the help of community members, the band is slowly but surely becoming outfitted in eye-catching new uniforms of purple and white.

Arnold Opland, instructor, has worked long hours in developing the band and full credit for the numerous successes which the organization has enjoyed should be given him for his tireless efforts.

The Future Homemakers of America are members of a national organization. Organized in very much the same manner as the F.F.A., the F.H.A. helps its members learn and display homemaking arts. The girls are interested in preparing themselves for the future and this organization gives them opportunity to learn many useful and practical things.

The big project of F.H.A. for 1949-50 has been handicraft. At one of their very first meetings they began making bracelets. Their regular Tuesday night meetings have seen very enthusiastic bracelet makers at work.

The Future Homemakers are under the able supervision of Miss Tooley. She is assisted by President Marlene Boettcher, Vice President Jane Stevenson, Secretary Karen Nelson, and Treasurer Harriet Wood.

Need to know anything about farming? Here are the people who know the answers to your questions. The wide range of interests of the F.F.A. teaches and trains the members to be able to solve many of the agricultural problems they may come to. Bottineau's organization has been busy this year attending the State Dairy Show in Jamestown, the Valley City Winter Show, and the District Parliamentary Procedure Contest. They have learned many practical things from their meetings that will be useful to them all their lives.

Several of the F.F.A. groups in the surrounding area work together in such activities as the F.F.A. track meet. The Bottineau boys have been outstanding representatives of their school in all these contests.

President, Carlyle Nelson; Vice President, Ardeen Larson; Secretary Myron Hayhurst; Treasure, Leslie Cushing; Reporter, Arlan Nichol, and Sentinel, Stanley Kamrud; assist Mr. Holwell, who strives to make the Future Farmers of America an interesting and worthwhile organization.

Wasn't that an exciting game! Wait till next Monday night. We'll really beat them then!

Yes, G.A.A. girls are nothing if not enthusiastic. Their Monday night meetings are looked forward to from week to week with real anticipation.

These girl athletes--headed by President Harriet Wood, Vice President Marlene Boettcher, Secretary Treasurer Norma Vikan, and Custodian Jane Stevenson--have had a full season of exciting games of volleyball and basketball. The Forestry girls volleyball team suffered many a defeat from the B.H.S. players. The high-school basketball team was good too. Yes indeed!

Miss Webb, who had as much fun as the girls when playing the games, is advisor. She has helped a great deal to make the Girls' Athletic Association a success. And even more than a success. A good time for everyone!

BASKETBALL

First Row: Harlan Timboe, Fabian Houle, Bill Wiley, Odell Krohn, Student Manager; Marvin Kirkeby, Randolph Carlson, Ardeen Larson. Second Row: Mr. Holwell, Assistant Coach; Clairmont Vestre, Carl Woods, Rodney Williams, Lee Fredlund, Ronald Dagner, Howard Nichol, Mr. Lodoen, Coach.

Turning from a very successful season in football, the Braves center their thoughts on basketball. There were five returning lettermen around which Coach Lodoen would form the nucleus of his team. The seasons record of ten victories and fourteen defeats is not too impressive, but a lot of the scores of our defeats were so close the outcome could have gone either way.

The Braves received a bye in the District 4 tournament held at Rugby. In their first game of the tournament, they lost a heartbreaker to the Towner Cardinals. Bottineau had led all through the contest going into the final minutes of play. The Braves then trounced Belcourt 45-25, but were eliminated from further competition by losing to Leeds 55-33.

With the addition of the new Forestry gymnasium and the return of five letterman, prospects are for a good season next year.

The Bottineau Braves shared the Conference Championship honors with Minot Model, each having a record of three victorys and one defeat. The Braves had only one setback, a 19 to 13 defeat at the hands of Minot Model. This game was high-lighted by Lyle Dagner's 97 yard kickoff return.

The Braves had racked up three consecutive conference games previous to the Model game. They defeated a tough Kenmare club 7-6 and the Stanly Blue-Jays 19-6. Then came the homecoming tilt with Crosby on the beautiful Forestry field under lights. The Braves, playing inspired football, scored a convincing 14-0 triumph over the Maroons.

Three seniors were selected on the all-conference team from Bottineau. These include: Lyle Dagner, Ralph Marsden, and Harlan Timboe.

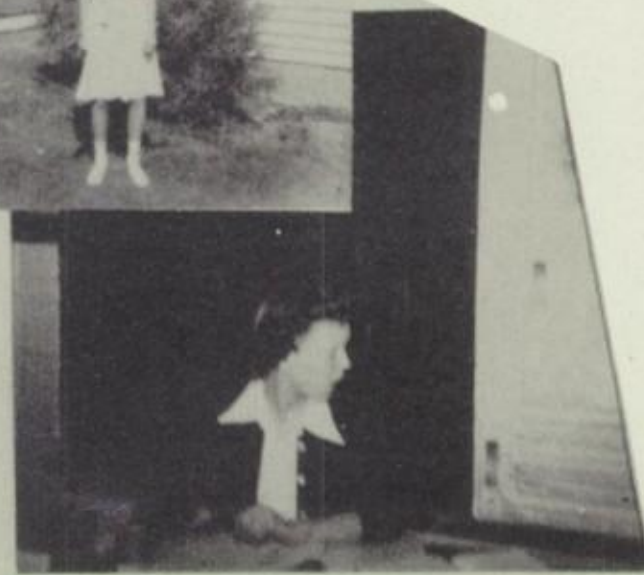

Carl Woods and Myron Hayhurst were selected on the all-conference second team.
